Brighton Township

Established in 1837, Brighton Township is located on the southeast side of Livingston County; the fastest growing county in the state. With it's rolling hills, natural lakes and streams, woodlands, *and* close proximity to major metropolitan areas, it remains a highly desireable community in which to live, work, and visit. It is a community committed to preserving and enhancing the qualities of the community that then residents, businesses, and property owners consider important

The Township is host to four public school districts: Brighton Area Schools, Hartlnad Consolidated Schools, Howell Schools, and Huron Valley Schools as well as numerous private schools. Fire services are provided through the Brighton Area Fire Authority and we are fortunate to be home to the Michigan State Police Brighton Post.

The Township is a planned and zoned community. The Comprehensive Development Plan was adopted in 2002 which specified land use patterns, design guidelines, environmental protection and enhancement, and transportation designs and improvements. A new Zoning Ordinance was adopted in 2004. It serves as the tool to implement the long term vision for the community.

Brighton Township is a charter township governed by a seven member board including a Supervisor, Clerk, Treasurer, and four Trustees. Day-to-day operations are managed by a full-time manager.
