PRE = Principal Residence Exemption, previously Homestead Exemption
 Non-PRE = No Principal Residence Exemption

The millage rate equals dollars per thousand of taxable value.

The formula for estimating taxes for the year:

Current year "Taxable Value" x Current year "Millage Rate"/1000 = Taxes

Note: a 1% administration fee will be added to all property taxes.

The above rate does not include any special assessments.
 If you are a part of a Special Assessment District, be sure to consider that amount also.
