Dear Homeowner:

Enclosed please find the forms that must be filed in order to be eligible to receive an exemption from payment of property taxes. This is valid only on your principal residence (F.K.A. homestead) within Brighton Township for a period of one year.

In order to receive this exemption, a property owner must demonstrate to the township supervisor and the township Board of Review their inability to contribute to public charges.

The forms, which must be notarized, may seem overly detailed, but we ask this information in order to make the most informed decision possible. Income, asset and expense information is absolutely required to make this decision. It is in your best interest to complete all sections of the application fully.

Included in this packet is a check off list of items that must be turned in with your application in order for it to be considered by the Board of Review. It is imperative that all the items that apply to you are included with your application, in order for the Board of Review to make an informed decision. Failure to include all necessary documentation may result in your application being denied or held until a later date.

The completed forms, signed and notarized, and all pertinent information, must be received by the township no later than July 9, 2021 to be considered at the July 20, 2021 Board of Review hearing or December 10, 2021, to ensure that your application is considered at December Board of Review on December 14, 2021.

All due care will be made to maintain the confidentiality of your personal finances.

Sincerely,

Federal Poverty Guidelines Used in the Determination of Poverty Exemptions for 2021.

MCL 211.7u, which deals with poverty exemptions, was significantly altered by PA 390 of 1994 and was further amended by PA 620 of 2002.

Local governing bodies are required to adopt guidelines that set income levels for their poverty exemption guidelines and those income levels **shall not be set lower** by a city or township than the federal poverty guidelines updated annually by the U.S. Department of Health and Human Services. This means, for example, that the income level for a household of 3 persons **shall not** be set lower than \$21,720 which is the amount shown on the following chart for a family of 3 persons. The income level for a family of 3 persons may be set higher than \$21,720. Following are the federal poverty guidelines for use in setting poverty exemption guidelines for 2021 assessments.

Size of Family Unit	Poverty Guidelines
1	\$ 12,760
2	\$ 17,240
3	\$ 21,720
4	\$ 26,200
5	\$ 30,680
6	\$ 35,160
7	\$ 39,640
8	\$ 44,120
For each additional person	\$ 4,480

Note: PA 390 of 1994 states that the poverty exemption guidelines established by the governing body of the local assessing unit shall also include an asset level test. An asset test means the amount of cash, fixed assets or other property that could be used, or converted to cash for use in the payment of property taxes. The asset test should calculate a maximum amount permitted and all other assets above that amount should be considered as available. Please see STC Bulletin 6 of 2017 for more information on poverty exemptions.

Note: P.A. 135 of 2012 changed the requirements for filing documentation in support of a poverty exemption to allow an affidavit (Treasury Form 4988) to be filed for all persons residing in the residence who were not required to file federal or state income tax returns in the current year or in the immediately preceding year. This does include the owner of the property who is filing for the exemption.
